With our new warranty : **The Essential**

The Essential...

1-ENGINE (FUEL OR DIESEL): All internally lubricated parts (when damage is caused by mechanical failure or breakdown of an internal engine part covered by the Warranty, except if breakdown is caused by overheating) including : The head gasket, engine block, cylinder heads, crankshaft and main bearings, crankshaft gears, connecting rods and bearings, camshaft and bearings, camshaft gears, push rods, pistons, rings and pins, intake and exhaust valves, valve springs and retainers, guides, hydraulic lifters, rocker arm, shafts and pivots, harmonic balancer and pulleys, timing chain, flywheel, oil pump and shafts, ring gear, and oil if necessary after agreement with the repair shop. The following items are covered only if damage is due to a breakdown of a lubricated internal part: oil pan, engine torque struts, valve covers, timing belt and gears, timing belt tensioners and guides. Gaskets and oil seals are covered only when covered parts are repaired;

2-AUTOMATIC TRANSMISSION: All internally lubricated parts when the damage is internal including: Torque converter, valve body, gear sets, main and intermediate shafts, clutches and bands, vacuum modulator, oil pump, oil pan, governor and oil if necessary after agreement with the repair shop. Gaskets and oil seals are covered only when covered parts are repaired;

3-MANUAL TRANSMISSION: All internally lubricated parts when the damage is internal including: Housing, main and intermediate shafts, gear sets, synchronizer rings, shifter fork and bearings and oil if necessary after agreement with the repair shop. Gaskets and oil seals are covered only when covered parts are repaired;

O.P.C. Licence number **500056**.

Bonded by l'Unique compagnie d'assurance générale.

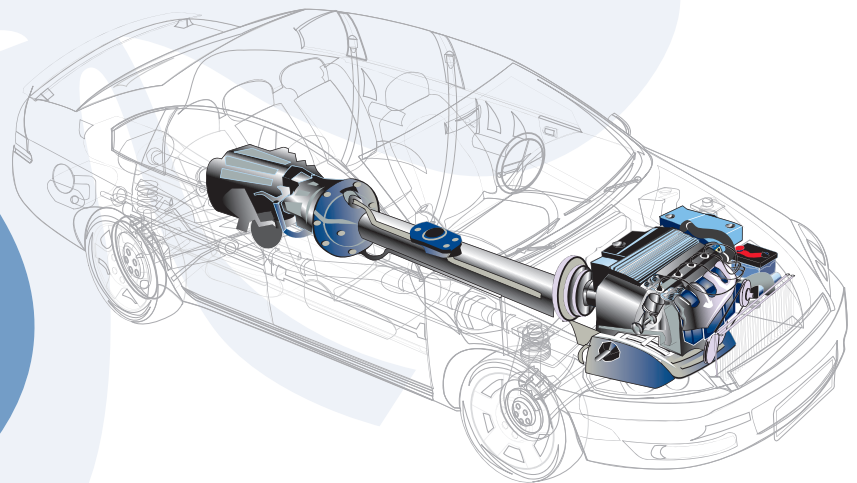

Trust account by Société Canada Trust.

Guarantee V.C. a division of Groupe Véri-Chèque.

Please, see the additional warranty **The Essential** for the terms and the applicable restrictions and exclusions.

4-DIFFERENTIAL

4.1 Rear Wheel Drive: All internally lubricated parts when damage is internal including: Carrier gear and case drive pinion and pinion gear, differential cover, bearings and oil if necessary after agreement with the repair shop. Gaskets and oil seals are covered only when covered parts are repaired;

4.2 Front Wheel Drive: Transaxle: All internally lubricated parts when damage is internal including: Housing, main shafts, crown and pinion, pinion gears and bearings. Gaskets and oil seals are covered only when covered parts are repaired;

5-TRANSFER CASE: 4 wheel drive or all wheel drive (AWD) vehicles: Housing and all internally lubricated parts: main shaft, gear group, sprocket and chain, bearings, shim. Gaskets and oil seals are covered only when covered parts are repaired;

6-STEERING: Housing, valve assembly, rack in pinion, power steering pump;

7-TOWING: A towing allowance of **\$75.00** (plus taxes) per occurrence applies to any breakdown or mechanical failure covered by the Contract, unless the total amount of the Additional Warranty payable by **Guarantee V.C.** has been exceeded.
